

Concert has always based its corporate success on the testimony of the people it serves and works with. With each project undertaken, we spend a great deal of time listening to what the marketplace and community want, ensuring we respond effectively - all the way from the drawing board to the finished product. As a result of our efforts, we have been presented with many awards for excellence.

CANADIAN HOME BUILDERS' ASSOCIATION AWARDS

The Canadian Home Builders' Association (CHBA) is "the voice of Canada's residential construction industry", representing more than 6,800 member firms across Canada. The CHBA National SAM Awards pay special tribute to the achievements of new home builders, home renovators, developers and new home sales and marketing professionals from across the country. The CHBA-BC Georgie Awards recognize the best in British Columbia's housing industry while the CHBA Victoria CARE (Construction Achievements and Renovations of Excellence) Awards specifically recognize excellence on Vancouver Island.
