

Tapestry at Village Gate West

— CHANGING THE FACE OF RETIREMENT LIVING

Opening in spring 2008, Tapestry at Village Gate West has been cleverly designed to promote fun, activity, wellness, elegance and a maintenance-free lifestyle choice for today's active senior.

Located at 5129 Dundas Street West in Toronto and designed for a new generation of seniors, the 11-storey concrete high-rise will include 168 rental suites and over 3,400 square feet of rental space in the established historic Islington Village. Similar to a luxury resort, Tapestry at Village Gate West represents high-end quality living for seniors who value their independence and want to pursue a fun and active lifestyle.

Community features include an elegant full-service restaurant and pub, concierge services, indoor swimming

pool, salon/spa, internet café and transportation services. *"Tapestry at Village Gate West provides a new standard for what retirement should look like,"* notes Cathy Wallbank, general manager. *"This community is designed for people who want to enjoy life, remain independent and have fun."*

Future residents at Tapestry at Village Gate West will also enjoy Leisure Care's signature programs. With PrimeFit,[™] residents work with a certified personal trainer to create a customized workout plan to keep them in top physical shape. The Brain Fitness Program from Posit Science[™] is another extremely popular program that helps strengthen the memory and keeps older minds vibrant. If residents feel like traveling, they contact Travel by Leisure Care, an award-winning, full-service travel agency available in all Leisure Care communities.

"We also offer a full menu of assisted living/personalized Health and Wellness Services if residents require," added Cathy.

Spacious suites feature full kitchens with four burner range and front controls, refrigerator, dishwasher and maple cabinetry. All suites have individual climate control heating and air conditioning, and many with balconies. Dining experiences, weekly in-suite housekeeping, expanded cable television, utilities, Town Car and complimentary laundry facilities are just some of the other features that are also included.

With the impending opening of this new resort inspired senior living community, Tapestry will continue to demonstrate its commitment to providing amenities and

services that exceed traditional retirement living and build for a new generation of seniors.
