

Concert's Toronto Team Helps Feed the Homeless

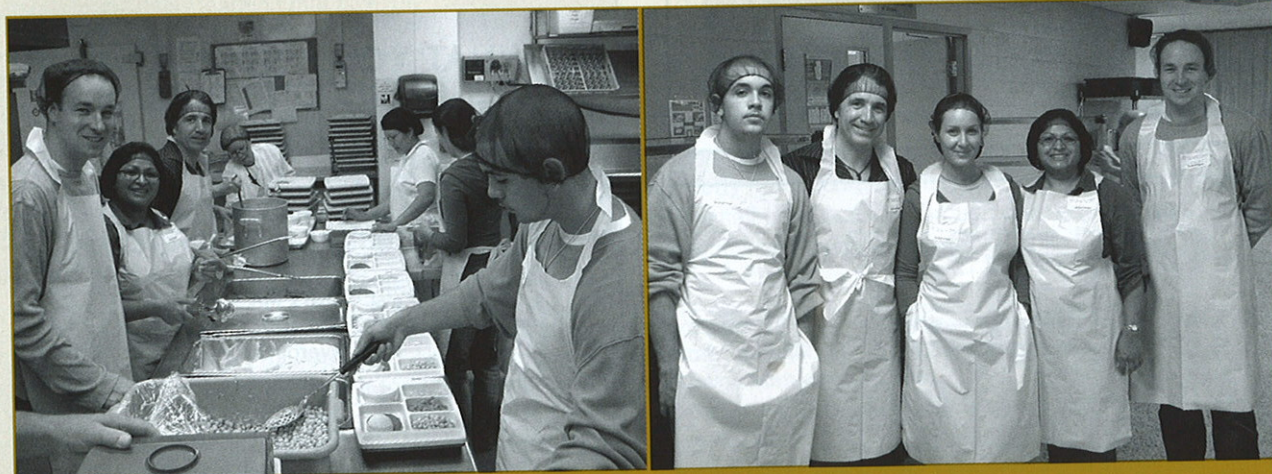

Concert Properties Ltd. Toronto Team recently offered another fine example of the Company's commitment to contributing to the well being of the communities it serves.

Four Toronto employees – Julie Paterson, George Espinola, Gina Mastroianni and Adrian Kozak – volunteered their time to serve meals at the Scott's Mission & Soup Kitchen on September 12, 2006. For Julie and George, it was their second year volunteering.

The team of four served more than 300 people in two seatings. Their shift included doing all the prep work, setting the tables, serving, cleaning up, followed by resetting the tables, serving and cleaning up the second seating.

The Greater Toronto Apartment Association (GTAA) organizes four volunteers from each of its member associations to volunteer throughout the year. In a letter to Concert Properties a GTAA representative wrote, *"We thank you for the time you are generously giving to help a worthwhile cause in Toronto."*

The Scott Mission feeds hundreds of homeless people every week, thanks to the commitment and efforts of its community volunteers. ♦
